Whole School Update

Thank you to everyone: staff, parents, children and carers, who have worked so hard this week to ensure that our school was able to go into 'lockdown' so quickly and efficiently.

Although it has been a strange week, everyone seems to have adapted as best as they can and there has been an amazing amount of hard work going on. I want to say a big thank you to our parents for re-organising their lives to accommodate 'home school', to our teachers for re-planning their lessons for online work and most of all to our children for demonstrating such resilience and flexibility, while still continuing to produce great work .

It is strange to think back to last Friday…..a life before before Joe Wicks and morning exercises……daily walks and…… worrying about a lack of toilet rolls!

Well done Team Sandhurst—we can do this!!

We hope that everyone manages to get a rest and a bit of relaxation over the Easter holidays. School will remain open, as directed by the government, but for emergencies only. Do contact Mrs Norman on headteacher@sandhurst.kent.sch.uk if you need any help or support.

After Easter, we will remain as we are and teachers will contact you will fresh work and weekly expectations. Please also remember that, we do understand that parents are working, laptops need to be shared and sometimes a good walk in the countryside is better than any inside learning
Keep safe everyone and take care.

Potter Class Update

It is wonderful to hear and see all that Potter Class have been up to!

Brilliant baking!

Sensory exploration.

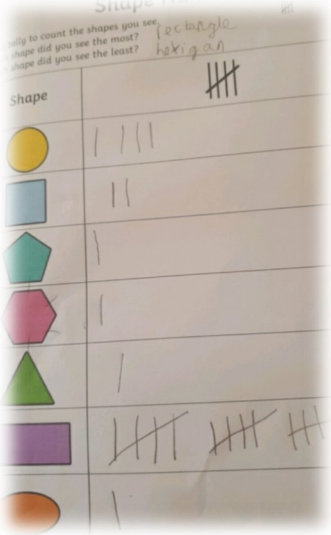
Interactive phonics.

Phonics activities and fine motor skills being challenged.

Keep up the hard work Potters!

Enjoyment Challenge Independence Confidence Resilience

Nightingale Class Update



Nightingale Class have been busy on their home learning adventure!

Science has included planting of the beans which we started growing in class.

Maths was a shape hunt, telling the time and remembering all the coins we use.

They have been reading and keeping up with their phonics using the computers and tablets.

Creating life size pictures!

A poster all about Spring.

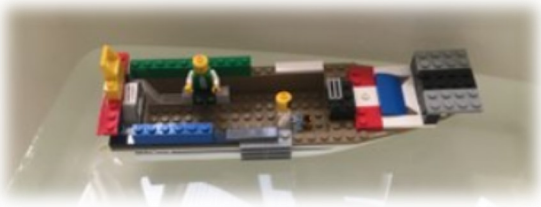
Darwin Class Update

Darwin have been working hard at home this week! I have received many pictures of the children's learning which I am very proud of considering the circumstances at the moment.

KS2's new topic is Ancient Greeks. As you can see, these two boys along with a few others from Darwin, have made their own Greek shield, helmet and weapon- wow!



A few of the children have had a go at the 30 day Lego challenge which is cool!
Well done, Darwin!

Here are other activities the Darwin children have been completing at home!

Pankhurst Class Update

What a phenomenal first week of home learning Pankhurst have had! I have been exceptionally proud and impressed by the dedication Pankhurst has shown to their school work from home. It has been a pleasure to see Pankhurst sending me a variety of pictures from Maths and English, to creative arts and humanities.

Pankhurst have also been embracing the 'Miss Beaney Challenges'. This week they took part in a 'Can you spot Delilah the cat Challenge' and also the 'Stay at Home' poster challenge. Keep up the incredible hard work Pankhurst!

Shakespeare Class Update

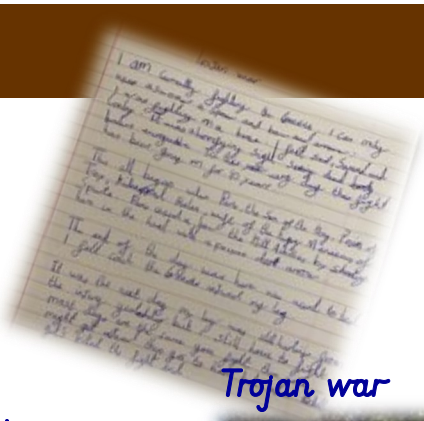
As we near the end of our first week of remote learning I'm happy to report that some of Shakespeare Class have been extremely creative! I am always excited when my Dojo's ping and I get some examples of a real variety of work – I think nearly every subject has been covered so far… lots of children using TT Rockstars, a variety of reports and articles have been written in English, lots of you joining in for PE daily with Joe Wicks, some amazing creations in DT, music lessons, the list goes

We've got this Sandhurst!
Stay safe everyone xx

Churchill Class Update

Wow! Well done everyone for a fantastic week of home learning. It has been such a pleasure to receive your amazing, creative work.

How Olympics began



Trojan war

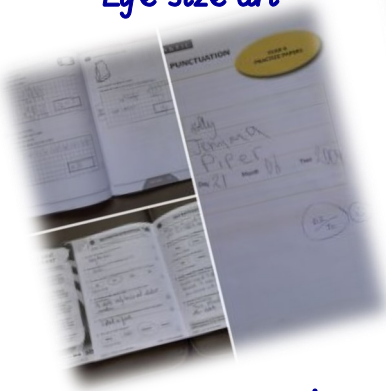
Ant and Dec enjoying their new home!

Life size art

Science

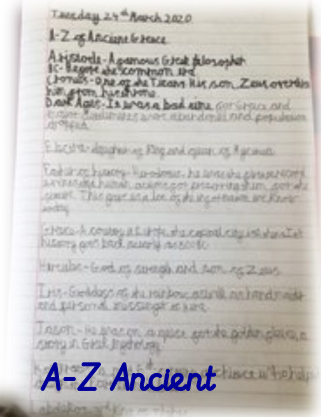
Greek God

Pandoras Box comic strip



Fantastic SAT's

Greek vase



A-Z Ancient

Daily exercise

Labyrinth

Minotaur art

Cooking

Enjoying a well earned break.
