

SANDHURST  
— PRIMARY SCHOOL —

---

**Churchill Class: This week's learning**

**GPS:** This week we will continue to learn about determiners and complete this term's assessment.

**English:** Having learnt about a day in the life of an Anglo- Saxon, we are now ready to write our diary accounts. We will also read the third story of Beowulf and complete this term's comprehension assessment.

**Maths (Fractions):** We will revise our learning about fractions from this term and complete our half-termly assessments.

**Science:** Airzooka experiment and investigating which solvent are the most effective at removing nail varnish.

**Topic:** A day in the life of an Anglo- Saxon (continued).

**PE:** In netball, we will learn about marking.

**RE:** We will answer the following question: In how many different situations did Jesus show his authority in the stories we have looked at this term?

**Computing:** Safer Internet Day presentations.
