

SANDHURST  
— PRIMARY SCHOOL —

---

**Churchill Class: This week's learning**

**GPS:** In addition to completing a GPS test, will also learn about verb forms (active and passive).

**English:** In addition to our comprehension, we will write a newspaper report about a bear being found at Paddington Station.

**Maths (Measure):** We will revise the formulas for calculating area, perimeter and volume.

**Science:** We will investigate rocks and make our own edible soil – please bring in bottles for this (330ml)

**PE:** Netball tournament

**French:** We will learn classroom commands

**Computing:** We will continue designing and creating a 3D game about cyber bullying.

**RE:** Easter Service.
