Churchill Class: This week's learning
Term 5 Week 1

Welcome back, I hope you all enjoyed a fabulous Easter Beak.

GPS: This week we will be learning about the subjunctive verb form.

English: We will write a formal letter from Mr Curry to the environmental agency. We will complete comprehension activities about the Vikings.

Maths (Algebra): We will learn about formulae and expressions; number sequences; and finding missing numbers.

Science: Over the next two science lessons, we will complete our introductory work into “Planet Earth and Living Things.”

Topic and Art: We will be continuing our work on Vikings from last term, learning about how the Vikings travelled to Britain.

PE: We will complete our first lesson on athletics learning how to throw the shot putt and the javelin.

French: We will have our first French lesson of this term with Mrs Bromfield,

Computing: We will complete our first lesson on animation and 3D modelling with Miss Weeks.

RE: Consider and think about journeys.
