

SANDHURST  
— PRIMARY SCHOOL —

---

**Churchill Class: This week's learning**  
**Term 5 Week 3**

**GPS:** GPS assessment.

**English:** We were so busy last week, we did not attempt this Big Write. So, this week we will think about creating tension in our writing. We will write our own Chaperon Rouge account and include suspense.

**Maths:** We will be revisiting factors, volume of shapes, percentages and roman numerals.

**Science:** This week, we will be investigating peppered moths and learning more about Charles Darwin.

**Topic:** This week, we will be learning about Viking visits.

**PE:** We will focus upon fielding skills in our Rounders lesson.

**French:** We will continue to learn vocabulary for objects in the classroom.

**Computing:** This week, we will edit and calculate data.

**RE:** During our RE lesson, we will learn all about the important things that mark a baby's birth.
