**English:** Continue to write “Our Local Wildlife” stories. Complete “Pet Week” comprehension activities.

**Maths:** Pet week data: we will collect, record and present data. We will also calculate averages.

**Topic:** Our local wildlife stories.

**Computing:** Understand animation frames.

**French:** 5 elements that plants and animals need.

**Music:** Continue to learn the songs for “Aladdin in Trouble.”

**PE:** Striking and fielding (bowling).

**RE:** Due to making Father’s day cards last week, we will have last week’s RE lesson this week - we will plan and ask questions about things that matter to us.
